SWIDGET

POWER TO LIVE SMART

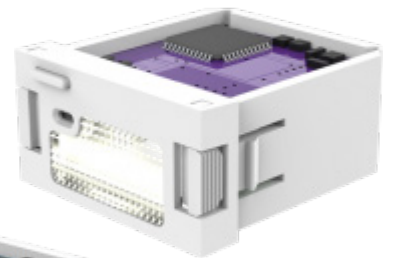

A future proof solution that changes with technology!

Swidget™ Customizable Outlet

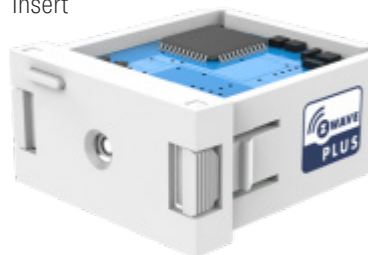

The Swidget Customizable Outlet is a 15Amp outlet installed using the existing wiring in your home. When paired with a Wi-Fi or Z-Wave Insert, it allows you to make your home a smart home and monitor energy consumption without any clutter.

Wi-Fi LED Guidelight Insert

Z-Wave Powerout Light Insert

USB Charger Insert

Swidget™ WiFi & Z-Wave Control Inserts

The modularity of the base devices allows for easy after-market installation of a Swidget Insert that can enable the wireless control and independent power monitoring of the receptacle, in addition to providing other sought-after functions like sensors, speakers or lighting.

Features:

- Z-Wave Plus Certified
- User replaceable – no electrician required
- Independent power monitoring on each circuit
- Works with SmartThings, Hubitat, Vera, Wink, and more
